If you change your attendance type from virtual to in-person, additional amount will be charged.

Programs
Check out our programs and get the latest developments in pediatric infectious diseases.

Program schedule

Visa Requirements
- Visa regulations vary depending on the nationality and country of origin of the participant.
- If you would like to check the visa regulations applicable to your country, please visit the Korean visa portal site by clicking here.

To request an invitation letter to apply for a visa to enter Korea
- After completing online registration and payment, please email the ACPID 2022 Secretariat (reg@acpid2022.org) with a copy of your passport.
- Please be noted that this letter is NOT a commitment of the ACPID 2022 organizing committee to provide financial assistance to any participants or accompanying persons. Any expenses incurred are the sole responsibility of the participant.

COVID-19 Information
Please refer to the ACPID 2022 website for quarantine rules and immigration regulations for entry into the Republic of Korea.
For more information, please contact the Korean embassy/consulate general in each country or click here.
